CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

ADDITIONAL INFORMATION

Yours faithfully
For and on behalf of the Board
Shen You Holdings Limited
Wong Kwok Wai, Albert
Chairman and executive Director

This Appendix I serves as an explanatory statement, as required by the GEM Listing Rules, to provide the Shareholders with the requisite information reasonably necessary to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the AGM with regard to the Repurchase Mandate.

1. REPURCHASE OF SECURITIES FROM CONNECTED PARTIES

The GEM Listing Rules prohibit a company from knowingly repurchasing securities on the Stock Exchange from a Core Connected Person and a Core Connected Person is prohibited from knowingly selling his/her/its securities to the Company. None of the Directors nor, to the best of their knowledge and belief and having made all reasonable enquiries, any of their Close Associates currently intend to sell Shares to the Company or its subsidiaries under the Repurchase Mandate if the same is approved by the Shareholder.

As at the Latest Practicable Date, no Core Connected Person has notified the Company that he/she/it has a present intention to sell any Shares to the Company or has undertaken not to do so in the event that the Repurchase Mandate is approved by the Shareholders at the AGM.

2. REASONS FOR REPURCHASE

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to have a general authority from the Shareholders to enable the Directors to repurchase Shares on the market. Such repurchase may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the Company's net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

The number of Shares to be repurchased by the Directors on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances pertaining.

3. SHARE CAPITAL

As at the Latest Practicable Date, the total issued share capital of the Company comprised 800,000,000 Shares.

Subject to the passing of the ordinary resolution set out in item 5 of the AGM Notice in respect of the granting of the Repurchase Mandate and on the basis that the total number of issued Shares remains unchanged up to the date of the AGM, i.e. being 800,000,000 Shares, the Directors would be authorised under the Repurchase Mandate to repurchase, during the period in which the Repurchase Mandate remains in force, up to 80,000,000 Shares, representing 10% of the total number of issued Shares as at the date of the AGM.

4. FUNDING OF SHARE REPURCHASE

The Company may only apply funds legally available for repurchasing of Shares in accordance with the Articles, the applicable laws of the Cayman Islands, the GEM Listing Rules for such purpose and/or any other applicable laws, as the case may be.

5. IMPACT OF REPURCHASES

An exercise of the Repurchase Mandate in full may have a material adverse impact on the working capital or gearing position of the Company compared with the position disclosed in the latest published audited consolidated financial statements of the Company for the year ended 31 December 2017.

As at the Latest Practicable Date, the Directors did not intend to exercise the Repurchase Mandate to the extent that it would, in the circumstances, have a material adverse effect on the working capital or gearing position of the Company.

6. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which Shares have traded on the Stock Exchange during the period from the Listing Date up to and including the Latest Practicable Date were as follows:

Month	Share Price (Per Share)	
	Highest HK\$	Lowest HK\$
2017		
December (<i>from the Listing Date</i>)	0.520	0.380
2018		
January	0.510	0.440
February	0.550	0.470
March (<i>up to the Latest Practicable Date</i>)	0.510	0.410

7. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange to exercise the powers of the Company to repurchase Shares pursuant to the Repurchase Mandate in accordance with the Articles, the applicable laws and regulations of the Cayman Islands and the GEM Listing Rules.

8. EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert (as defined in the Takeovers Code)

depending on the level of increase in the Shareholders' interest, could obtain or consolidate control of the Company and may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not as a result of any such increase.

To the best knowledge of the Company, as at the Latest Practicable Date, the only Controlling Shareholders are Mr. Wong Kwok Wai, Albert, an executive Director, and Three Gates Investment Limited, a company wholly owned by Mr. Wong. Mr. Wong and Three Gates Investment Limited are interested in 600,000,000 Shares (representing 75% of the total number of issued Shares) as at the Latest Practicable Date. In the event that the Directors exercise the Repurchase Mandate in full, the interest of Mr. Wong and Three Gates Investment Limited would increase to approximately 85% of the total number of issued Shares and thus, Mr. Wong and Three Gates Investment Limited are not obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, the Directors had no intention to exercise the Repurchase Mandate and were not aware of any consequences of repurchases which may result in the number of the issued Shares in the hands of the public falling below the minimum prescribed percentage of 25% as required by the GEM Listing Rules.

9. GEM LISTING RULES RELATING TO REPURCHASE OF SHARES

The GEM Listing Rules permit companies with a primary listing on the Stock Exchange to repurchase their shares on the Stock Exchange and any other stock exchange on which the securities of the Company are listed and recognised by the Securities and Futures Commission of Hong Kong and the Stock Exchange subject to certain restrictions.

The GEM Listing Rules provide that all proposed repurchases of shares must be approved by shareholders in advance by an ordinary resolution at a general meeting, either by way of a general repurchase mandate or by a specific approval of a particular transaction and that the shares to be repurchased must be fully paid up.

10. SHARE REPURCHASE MADE BY THE COMPANY

The Company had not purchased any of its shares (whether on the Stock Exchange or otherwise) during the period from the Listing Date up to the Latest Practicable Date.
